From K.R. Krishnaswami Iyengar Esqr., M.A.,B.L.,

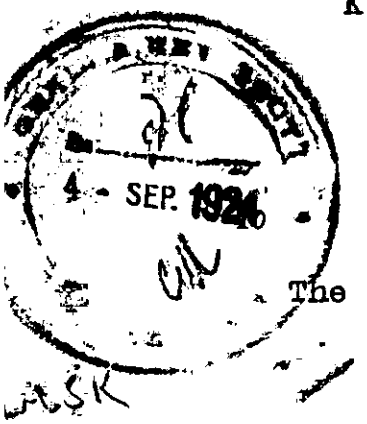
Ag. Auditor, Mysore Railways, Mysore.



The Secretary to the Government of Mysore,
Financial Department, Bangalore.

Sir,

With reference to your letter No. Fl.1247 of 27-8-'24 asking for the causes of the large variations in Gross Receipts and Working Expenses for July 24 as given in the Revenue - - - Statistics for that month as compared with the figures for - - July 23, I have the honour to forward herewith a statement -- furnishing the information required.

I have the honour to be,

Sir,

Your most obedient servant,

K R Krishnaswamy Iyengar

Auditor, Mysore Railways.

Ksc.

STATEMENT EXPLAINING THE VARIATIONS IN GROSS RECEIPTS AND WORKING EXPENSES FOR JULY '24 AS COMPARED WITH THE CORRESPONDING FIGURES FOR JULY 1923.

:-:-:-:-:-:-:

Particulars. 1	July 1924 (approximates) 2	July 1923 actuals. 3	Difference between columns 2 & 3 + Increase - decrease.	Reasons for variation.
(A) Gross receipts.	(Figures in thousands)			
Coaching	154	165	- 11	The ~~decrease~~ decrease under coaching is due to the smaller volume of passenger traffic in all the sections.
Goods	79	69	+ 10	The increase under goods is chiefly due to heavier bookings of manganese traffic on B.S. section and grain and pulse traffic on B.M.N. section.
Other earnings	3	3	..	..
Suspense	36 (b)	+ 18 (a)	- 54 (a)	The credit of 18 thousand during July '23 is due to the heavy clearance of station outstandings during that month.
T o t a l	200	255	- 55 (b)	The minus figures of - 36 during July '24 was estimated on account of credit note transactions anticipated during the month (on the basis of ~~returns~~ for previous months). But on a review of the figures in the light of actuals ~~as on this~~ date, it is estimated that the suspense figure will have to stand revised at - 18 instead of - 36, thus resulting in an improvement of estimated receipts by 28.
	270	177	+ 93	The increase of 93 thousand is chiefly attri-

~~payable to the following:-~~

(1) Excess outlay under coal	10
(2) Increase under workshop charges.	8
(3) Outlay to the extent of 30 under special charges (permanent way renewals 39 miles) as against nil expenditure in July 1923	30
(4) Less ~~extraordinary~~ outlay during July '23 due to the non-adjustment of the full cost of stores issued in July '23 during that month owing to delay in the acceptance of monthly summaries by Departments.	11
(5) Heavy expenditure during July '24 on account of payment of contractors' bills for re-railing and other works.	30
(6) Bills of M. & S. M. Ry., from October '23 to April '24 on account of gas supplied to Mysore Railway carriages.	4

29. OCT. 1924

Sir,

With reference to your letter No. Fl. 1977 dated 2nd-October 1924 enquiring why charges on account of re-railing are included under Working Expenses in the Revenue Statistics relating to Railways for the month of August 1924, I have the honour to state that to arrive at the net receipts of the - Railway we have to deduct Working Expenses proper, guaranteed-interest, surplus profit and grant to depreciation fund, and all these items are shown in one lump in the statement under Working Expenses etc., and whether the outlay on re-railing is shown against Working Expenses proper or against the - - depreciation fund the figures in the Revenue Statistics remain unaffected.

2. As I have not received any orders constituting the Depreciation Fund and explaining how it is to be operated upon I am asking the Comptroller to-day for instructions as to -- whether $\frac{1}{12}$ of the Budget Allotment for Depreciation should be debited to Working Expenses every month and the amount kept as a fund or whether the actual outlay on re-railing etc. should be directly charged to Depreciation each month and

and

an adjustment for the balance made at the end of the year.

I have the honour to be,

S i r,

Your most obedient servant,

S. Shamanna

Auditor, Mysore Railways.
